Noku Beach House is the latest luxury villa to join Elite Havens' repertoire.

Perched on Balinese beach in Indonesia, and reportedly Seminyak's only private beachfront villa, the property offers six suites, a pool, multiple dining areas and alcoves, and manicured gardens and lawns. Noku Beach House is the latest luxury villa to join Elite Havens' repertoire.

Perched on Balinese beach in Indonesia, and reportedly Seminyak's only private beachfront villa, the property offers six suites, a pool, multiple dining areas and alcoves, and manicured gardens and lawns. Deep inside the villa is an exclusive spa, and a space that can be converted into an outdoor cinema.

The interior is undertaken by award-winning designer Alex Zabotto-Bentley, who has brought custom furnishings and Indonesian artefacts into the space.

The outdoor poolside dining and rooftop terrace are built from a 100-year-old pier from Borneo.

Noku Beach House can be an ultimate reward for top achievers. It can hold an event for more than 200 people.
